CREDITS: .5 CEU

COST: \$25

BSAC (Basic School Age Care) is a 5 hour introductory level training event for school age care professionals that are new to the field. The training includes the following modules: 1) Health, Safety, & Nutrition, 2) Environmental Design, 3) Child/Youth Development 4) Developmentally Appropriate Activities, 5) Guiding Child Behavior, and 6) Quality School Age Care. This training is required by the NC Division of Child Development for school age care professionals working in licensed programs but is a great training for new staff in any afterschool program setting. There are no prerequisites required.

Course requirements to earn the CEU certificate include attending online sessions, reading handouts, video vignettes, interactive online activities, and passing a post knowledge assessment with a score of 90% or higher (multiple attempts allowed).

Participants in the online event will be required to complete 1 hour of pre/post work assignments and participate in 4 hours of online course work. The instructor has no proprietary interest in the design, development, or marketing of the learning event.

Technology needs required:

Computer/electronic device with an internet connection. Computer/electronic device with audio/ability to watch & listen to a video online. Keyboard/mouse (laptop with mouse pad). Electronic device with speakers (audio). Attendees can join Zoom from a Mac, PC, iPad, iPhone, or Android device (<http://www.zoom.com>). Ability to send electronic documents/email assignments to the instructor. PDF Reader. Ability to receive electronic documents (email).

Active participation is required in the online event.
